

NPIC/TDS-207/67
6 November 1967

MEMORANDUM FOR: Chief, Support Staff

SUBJECT : Sine-Wave Test Device

1. The attached memorandum outlines the recommended disposition for the Sine-Wave Test Device by [redacted] It is recommended that the action outlined be carried forth by the Office of Logistics.

25X1A

2. One model is all that we are going to purchase; and since we are not going to buy the second model, a downward change-in-scope to the contract is requested.

25X1A

[redacted]
Colonel, USAF
Assistant for Technical Development, NPIC
